Dear Ms. Hughes:

The staff of the Division of Gaming Enforcement's (Division's) Regulatory Enforcement Bureau has reviewed the sample sets of value gaming chips manufactured by Gaming Partners International USA, Inc., which was received in this office on April 23, 2012. Specifically, Harrah's Casino is seeking an approval of primary racks of \$2.50, \$5.00, \$25.00, \$500.00, \$1,000.00 and \$5,000.00 value gaming chips.

A review of Petition #0481201 and their exhibits included: schematic design information showing front, back and edge design features of the value gaming chip; primary and secondary color information; specifications as to chip inlay, chip diameter, including separate diameter information; permanent casino name "Harrah's" and "Atlantic City" located in the center; value on both the front and back of each chip; and information as to graphics and other measures designed to prevent counterfeiting of each value gaming chip. The Division's review found these items to be acceptable.
